FOR IMMEDIATE RELEASE 10/06/2015 ARREST IN THEFTS FROM FSK MALL

On 10/02/15, the Frederick County Sheriff's Office arrested Shannon Nicole White, age 21 of Martinsburg, WV, on four charges of theft less than \$1,000, and two counts of identity fraud.

At approximately 8:20 p.m., Deputy Shawn Kohler responded to the J.C. Penney store in the Francis Scott Key (FSK) Mall, located on Buckeystown Pike in Frederick, for a shop lifter in custody. Loss prevention officers in J.C. Penney were able to provide surveillance footage of White taking items from the store and leaving without paying.

Through the investigation, it was determined White had stolen merchandise from several stores in the FSK Mall and returned the items to the stores to receive gift cards fraudulently. White was in possession of multiple gift cards with store receipts from the fraudulent transactions, along with a West Virginia drivers license that did not belong to her. Several stores stated White used the name "Tammy" and was with a white male, who also returned merchandise under the name "Fabian Hite".

White was arrested without incident and transported to the Frederick County Adult Detention Center's Central Booking Unit for processing. The WV driver's license and gift cards were placed on property as evidence with the Sheriff's Office.

Anyone with information about the male suspect in this case is asked to contact Deputy Kohler at 301-600-3645.
